Dear Parents & Guardians,

The Science Fair was a real hit! We had a full house and there were many fun, new and interesting presentations. Congratulations to all of our scientists and special thanks to Emily Frazier-Williams for organizing this special event.

Parents, please keep in mind that drivers must have the handicap tag to use either of the two handicap spaces. We have a narrow, but crowded, parking lot and we appreciate if everyone slows down, uses the correct lanes and avoids spaces designated for handicap parking. Thank you for your support.

Skate Night is tonight! Come to Cairns' Arena and have a great time and maybe win a basket! Don't forget helmets for safety.

Have a safe and dry weekend; take some time to read with your child. Mark Trifilio
