Volunteering at School or on Field Trips

The classes are starting to go on field trips and might need chaperones. If you would like to become a chaperone, you must fill out a form and provide a copy of your driver's license before you volunteer. Either ask your teacher for a copy or stop by the office.

From the Health Room

Vision and hearing screening are conducted in PreK, Kindergarten, 1st, 3rd, and 5th. The vision screening involves checking students for both farsightedness and nearsightedness. The screens started a few weeks ago and will last until all the students in required grades have been screened. I will not send home letters if your child meets our vision and hearing standard. I will contact you if your child requires further testing for vision or hearing. If you are concerned about your child's vision or hearing, and they are not in one of the required grades, feel free to contact me. I am happy to do screening at any time during the year. Please call if you have any questions!
